

## **Prayer to the Sacred Heart of Jesus**

**Lord Jesus,  
Let my heart never rest until it finds You,  
Who are its center, its happiness and its love.**

**Your Sacred Heart reveals to me the love  
Which you have for the Eternal Father  
And the love that you have for all human beings  
Without exception.**

**Place my own weak heart in Your own divine  
Heart,  
Continually under your protection and Guidance  
So that I may live with you forever. Amen.**
